Online Regulation

- 1) The competition will be online and live via the ZOOM platform.
- 2) All schools must make sure they have a good internet connection and a good quality camera (mobile phone).
- 3) Filming must be horizontal, and can be done in the studio, home, stage or pavilion.
- 4) The placement of the music is the responsibility of each school, which is fully responsible for respecting the maximum duration of each choreography.
- 5) During the presentations, each school will be in contact with an element of our Staff who will inform when they can start each presentation.

Changes to the Original Regulation

- 1) Participation in the Online Edition does not imply selection by video, there are only restrictions on registration when all vacancies are filled.
- 2) The age of the candidates will be considered on the 1st of January 2021
- 3) It will not be necessary to send the music, since the put on of it is entirely of the responsibility of the school / independent candidate.
- 4) There will be no class for soloists finalists.

Schools enrolled in 2020 and use of Vouchers

- 1) Choreographies / candidates registered in 2020 will not be considered, so participation in the Online Edition requires a new registration on our platform.
- 2) The amount received in Voucher, referring to registration in 2020 can be freely used.

Online Master Classes and Scholarship Class

- 1) Registrations for Master Classes and Scholarship Class online will open on May 20th and must be made in a specific doc form to be published later.
- 2) All classes will be between June 4th and 13th with the judges and teachers from the competitions. Dates and timetable to be announced soon.
- 3) To register for the online scholarship class, you will need to attach a photo of the candidate's face and 1st Arabesque.
- 4) Registration for classes closes as soon as the class is full, and in the case of the scholarship class, priority is given to soloists.
- 5) Values of classes:
Master Class: 7.5 €
Scholarship Class: 20 €
